

22 January 2024

Dear Parent/Carer

You will be mindful that Year 8 pupils will be choosing their Key Stage 4 pathways before the end of the year. This letter is being sent to all parents/carers of pupils in Year 8, for information, regarding potential future careers.

On Monday, 29 January, Year 8 will be off timetable to attend a 'Careers Super Day'. It is not expected that pupils will be in a position to choose a career at this stage of their time at school. The aim is to allow Year 8 pupils to meet a range of different providers and to build an awareness of the options available to them in the future.

Throughout the day, all pupils will experience the following sessions:

- College (run by City of Portsmouth College)
- Apprenticeships (run by NHS 350+)
- University (run by the University of Portsmouth)
- Teambuilding
- Business Speed Networking (a chance to circulate and speak to a range of local businesses)

Pupils will be informed of the way that the day will work in tutor time this week.

We hope that your child finds the sessions inspiring and informative.

Best wishes
